Mid December, sunny and temperature in the 60's; a great day to shoot. Redleg has been improving every shoot and today clobbered the field. Granted there were some strange happ'ns here'bout. RB had a miss, Capt. Allyn and Goose suffered from some type of acute brain disfunction. Goose even had 2 (yes, that's TWO procedurals). Must have been the unseasonable weather. Shorty is getting better and better and his rifle was smok'n today. We welcomed 2 new shooters, Jake from OKC and Big Charlie Noble from Purcell. Have a MERRY CHRISTMAS!!
